

Subsea and Land Systems

Meet the Buyer Event

23rd August, 2023

Key figures

Manufacturing sites in **34** countries

6 + 2

Plants + Vessels

5,7 billion euros in sales in 2020

Worldwide sales presence

close to **25,000** employees

Subsea Land & Systems

2,000

employees in SLS

700m

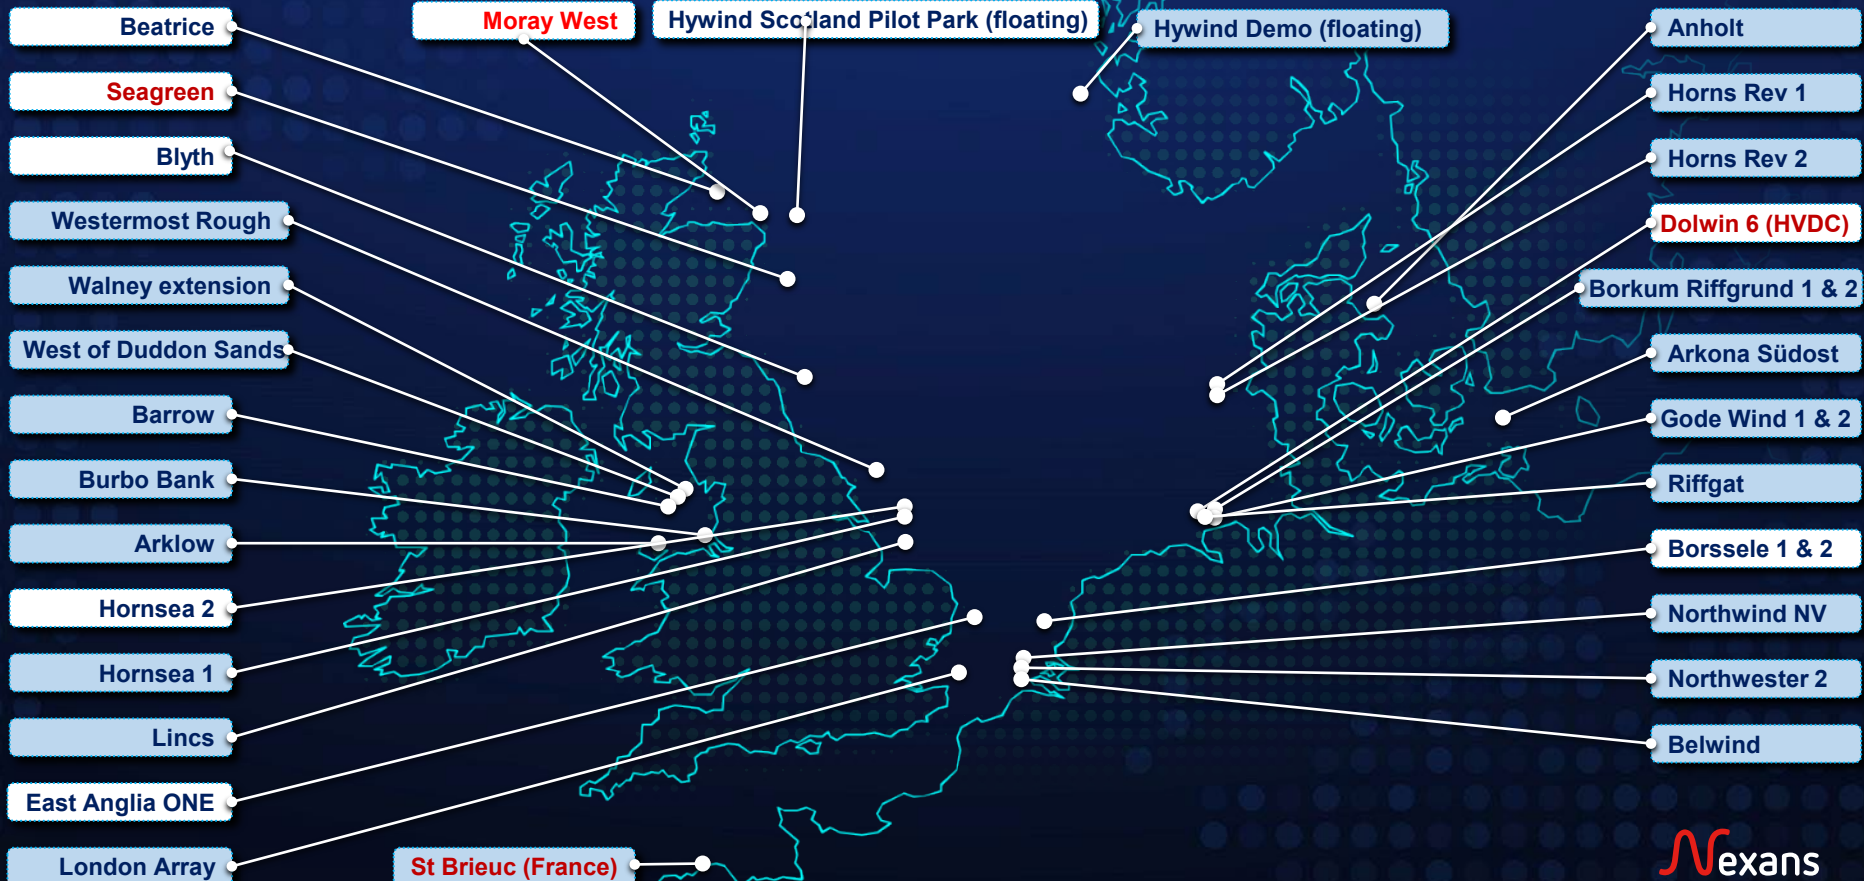

sales in euros in 2020

25

on-going projects
in Europe, Caspian Sea,
USA, Middle East, Asia...

Track record – Offshore Wind - Europe

Ongoing projects

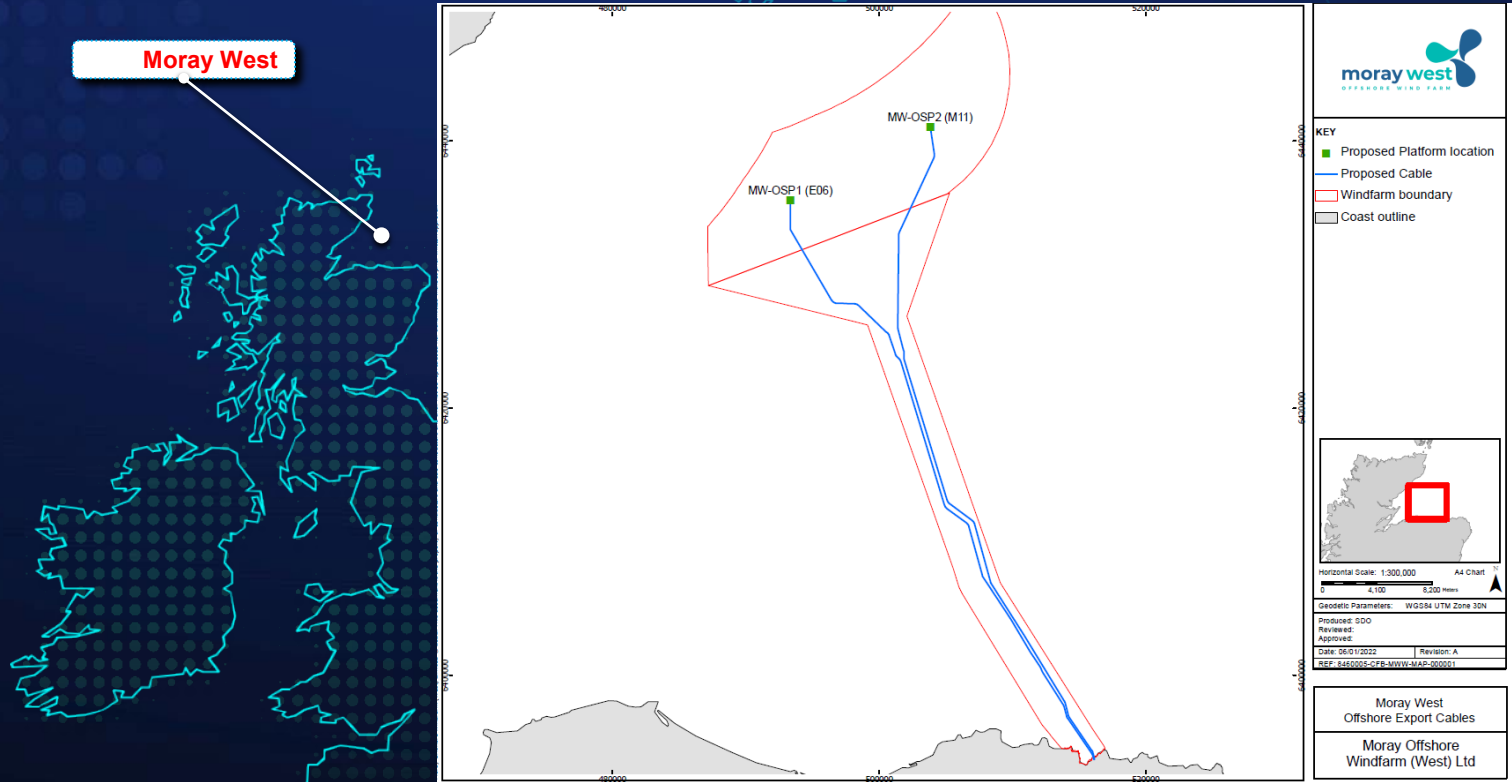

Scotwind Announcement January 2022

- 17 new offshore windfarm projects have been awarded, and have now been offered option agreements which reserve the rights to specific areas of seabed
- Extensive requirement for offshore support
- Initial indications suggest a multi-billion pound supply chain investment in Scotland
- Nexans shall be a key player in tier 1 tender process
- Future opportunities are substantial!
